

Biodiversity

the importance of being different

Malignani's specializations

Specializations

Transport and Logistics

IT and Telecommunications

Electronics and Electrical Engineering

Mechanical, Mechatronics and Energy

Construction, Territory and Environment

Transport and Logistics

- ➔ Aeronautics as Malignani's first specialization
- ➔ High quality Labs with real airplanes
- ➔ expert pilots and technicians

ISTITUTO TECNICO INDUSTRIALE
"Arturo Malignani"
Sezione COSTRUZIONI AERONAUTICHE
**VELIVOLO ULTRALEGGERO
ANFIBIO "GL3"**
Realizzato su progetto dell'ing. Giorgio Lardinelli
dalle classi 4° e 5° degli anni scolastici
1995/96, 1996/97 e 1997/98

 **ISTITUTO TECNICO INDUSTRIALE
"Arturo Malignani"** 
Sezione COSTRUZIONI AERONAUTICHE
**VELIVOLO ULTRALEGGERO
ANFIBIO "GL3"**
*Realizzato su progetto dell'ing. Giorgio Lardinelli
dalle classi 4° e 5° degli anni scolastici
1995/96, 1996/97 e 1997/98*

IT and Telecommunications

- ➔ Effective learning : theory + practice
- ➔ Web skills : database and websites building
- ➔ Projects: ECDL, IT Olympics
- ➔ Experts in IT (information technology)

Electronics and Electrical Engineering

- ➔ Build and test big electrical systems
- ➔ Program microprocessors
- ➔ Theory + Lab
- ➔ Experts with electricity

Mechanical, Mechatronics and Energy

- ➔ Designing, building and testing machines
- ➔ Equipment maintenance
- ➔ Transport
- ➔ Safety measures

Construction, Territory and Environment

- ➔ Management development of building bodies and in the organization of movable jards
- ➔ Projects: the building field (for example organization of a jard)
- ➔ Safe at work
- ➔ Experts of materials, machines and appliances used in building factories

Thank you for your attention!
